Terms and Conditions:

1. The rankings for the Race are based on the accumulation of Leaderboard Points which are awarded for participating in Qualifying Raked Hands.
2. A Qualifying Raked Hand is any hand in which a minimum of \$0.25 rake was deducted from the total winnings of that hand. Qualifying Raked Hands are awarded to each player who was dealt cards in a hand from which rake was taken. Players who were seated out of a Qualifying Raked Hand will not have that hand counted towards this promotion.
3. The amount of Leaderboard Points awarded for a Qualifying Raked Hand is dependent on the amount of rake taken from the total winnings of the hand and the number of seated players.
4. In case there is a tie between players' leaderboard points in paid places, all players with that number of points will be issued an average amount of their prize (as per their positions).
5. iPoker reserves the right to refuse payment to any player which is found colluding.
6. Players will be paid for reaching the money on an ongoing 14, 14, and 30 full day's leaderboard, within seven working days of that leaderboard end time. (End times are: April 14th, and April 30th 2009, at 23:59:59 GMT).
7. Accounts cannot be utilized for the promotion purposes more than 17 hours per day. Any player which will play more than that, his points will be determined by the following formula:
Points accumulated X 17 / number of hours played.
8. All decisions as made by BetMost Poker are final.
